

**June 22 - 26, 2015**

# Introduction to Food Science

University of Guelph  
Food Science Department  
[www.foodscience.ca](http://www.foodscience.ca)

This practical and informative course provides participants with foundational knowledge related to all aspects of food science presented by world-renowned experts. This course is designed for anyone working in the food industry or a peripheral field that wishes to increase their knowledge in Food Chemistry, Food Processing & Engineering, Sensory Science, Food Safety, Food Packaging and Functional Foods & Nutraceuticals.

The course is designed to give you a five-day overview of the most relevant aspects of food science typically covered over our 4-year undergraduate program.

**Ideal preparation course for the IFT Certified Food Scientist exam**
