PhDs With Impact

DOCTORAL DESTINATIONS:
School of Environmental Sciences (SES)

Over a 20-year period (1999-2019), approximately 4,000 students graduated from the Ontario Agricultural College's (OAC) graduate programs. The OAC Doctoral Destinations Project documents their career status as of 2019. PhD graduates from the University of Guelph's School of Environmental Sciences have careers in diverse fields. A PhD is valuable and sought by domestic and international employers in all sectors.

Demographics of SES PhD graduates from 1999-2019
