"Managing your Research Data: Funder Requirements and Library Support"

Led by Carol Perry, Research Enterprise & Scholarly Communication Librarian

The Tri-Council agencies are rolling out new policies pertaining to research data. This seminar will help researchers understand their new obligations as well as become aware of support services and resources available through the library. Preparing a research data management plan; archiving your research data in a repository; licensing and sharing your data for re-use by other researchers will be discussed.
