

Help Us Find Box Tree Moth!

Join our summer 2022 Citizen Science program!

Help us monitor for box tree moth, an invasive species recently detected in Ontario and not known to occur anywhere else in North America.

For more information visit:

<http://inspection.gc.ca/plants/plant-pests-invasive-species/insects/box-tree-moth/eng/1554215562798/1554215563084>

Express your interest by replying to this email by April 10, 2022 and a trapping kit will be sent to the address provided.
