

10TH ANNIVERSARY CELEBRATION

Tuesday, October 15, 2019 | 3 - 5 p.m.
Arboretum Centre, 390 College Ave. E., Guelph, ON

It was 10 years ago that Land Resource Science and Environmental Biology combined to create our outstanding school. Join us for a celebration of all that we have accomplished. Alumni, students, staff, faculty and friends of SES are all invited. Cake and remarks at 3:30 p.m.

RSVP by October 4th at <https://uoguel.ph/ses10>

Please also join us for the 2019 Hammond Lecture, which will follow from 5-6:30 p.m.

Hammond Lecture 2019

THREATS TO ENVIRONMENTAL SUSTAINABILITY IN AN INCREASINGLY POPULIST CLIMATE

Featuring Prof. Sarah Burch

Dr. Burch holds the Canada Research Chair in Sustainability Governance and Innovation. She is an Associate Professor in the Department of Geography and Environmental Management, University of Waterloo. She is an expert in transformative responses to climate change at the community scale, innovative strategies for making sustainability progress, and unique contributions that small businesses can make to solving this complex challenge.
